

I want to break free

I want to break free
I want to break free
I want to break free from your lies,
You're so self-satisfied I don't need you
I've got to break free
God know, God knows I want to break free.

I've fallen in love
I've fallen in love
I've fallen in love for the first time
And this time I know it's for real
God know, God knows I've fallen in love

It's strange but it's true
I can't get over the way you love me like you do
But I have to be sure
When I walk out that door
Oh how want to be free baby
Oh how I want to be free

(air guitar break...)

But life still goes on
I can't get used to living without living without
Living without you by my side
I don't want to live alone
God knows I've got to make it on my own
So baby can't you see
I've got to break free
I've got to break free
I want to break free
I want to break free.
